# Terms and Conditions of Sale

---

Sales by DatesWeiser (hereinafter called the Seller) are made only on the terms and conditions set forth below. These terms and conditions may be modified or supplemented only by a written document signed by an authorized representative of the Seller. These terms and conditions supersede any prior and/or contemporaneous agreements or correspondence between Purchaser and Seller.

## Application of Standard Terms

Only the standard terms of sale stated in this catalog apply to any transaction unless those terms are modified or supplemented by a written document signed by an officer of DatesWeiser. Any terms contained in Customer's purchase order, including standard printed provisions, that are additional to or contrary to these terms, are not effective.

## Use of Furniture and Materials

DatesWeiser assumes that textiles, leathers and products are intended for commercial use and are not being bought for use primarily for personal, family, or household purposes. When installed and used as intended, products remain chattel property, are not considered fixtures, and no interest in them should arise under applicable real estate law.

## Pricing Policies

All written quotations expire thirty (30) days from the date of issuance and can be withdrawn by written notice anytime during that period.

Shipping, packaging, inside delivery, uncrating, installation, storage, and sales tax (if applicable) shall be in addition to the list price and shall be itemized and charged separately.

List prices are subject to change without notice.

List prices shall be those prices in effect on the date the Seller receives a completed Purchase Order unless shipment is requested more than 120 days after the order entry, in which case prices in effect on the date of shipment apply.

## Ordering Information

All orders must be in writing.

A Purchase Order is binding upon Seller's Order Acknowledgement. All dealers may submit their orders via email at [customerservice@datesweiser.com](mailto:customerservice@datesweiser.com). For assistance with this process, please contact DatesWeiser Customer Service at 716.891.1700 or [customerservice@datesweiser.com](mailto:customerservice@datesweiser.com)

## Taxes

All sales, use, excise, and other taxes applicable to the sale of DatesWeiser Products shall be paid by the Purchaser. To claim an exemption from any tax, Purchaser must submit to Seller the appropriate exemption certificates.

## Terms of Payment

A fifty percent (50%) deposit is due at the time of order placement and the remainder due within thirty (30) days of the date of invoice.

If, in the judgment of Seller, Purchaser's financial condition does not justify the terms of the payment, Seller may require full or partial payment in advance.

The ship date the Seller specifies is considered the invoice date for billing. The ship date will be confirmed by the Seller via a separate Acknowledgement issued upon receipt of a signed Purchase Order.

Past due accounts shall be charged one and one-half percent (1.5%) per month, or the highest rate permitted by law, whichever is less, and will be added to the outstanding balance. In the event Purchaser defaults on payment, Purchaser shall be liable for all collection costs, including reasonable attorney's fees and costs.

## Delays

Datesweiser is not liable for failure to ship by the acknowledged shipping date or any other date. Datesweiser is not liable for a delay or failure in shipment or performance if the delay or failure is caused by acts of omission of Customer, its agents, employees, contractors, a governmental authority, or God; delays in transportation; or other similar causes that are not within Datesweiser's reasonable control. Datesweiser is excused from further performance of its obligations for the duration of a force majeure cause.

## Changes and Cancellations

A confirmed order may not be changed or cancelled, in whole or in part, without prior written consent of Seller. Changes may effect delivery dates. Expenses incurred because of changes shall be charged to Purchaser. In event of cancellations, Purchaser will be liable for reasonable cancellation charges, including a \$500 administrative fee.

Seller is not required to comply with Purchaser's request to change a confirmed order, but all reasonable requests to change confirmed orders will be honored. Orders for special or custom Product may not be cancelled.

---

To be effective, a Change Order must be in writing, signed by the Purchaser or Purchaser's agent, and confirmed in writing by the Seller. Change Orders are subject to a charge for materials, labor, and other costs as determined by Seller.

**Security Interest**

Until Seller receives the full payment for the Product, Seller shall have a security interest in the Product. Purchaser agrees to perform all acts, including but not limited to the execution and filing of documentation, which may be necessary to perfect and assure the security interest of Seller.

**Freight and Delivery**

For product orders shipped within the 48 contiguous United States, surface freight charges are included. Orders are shipped via ground carrier unless requested otherwise.

For orders shipped to Alaska or Hawaii, the freight terms stated above apply only to the port of embarkation. Shipments beyond that point are freight collect. Domestic deliveries are shipped FOB DatesWeiser's plant to a destination designated by Customer by a method DatesWeiser selects.

Products are carefully inspected and packaged before leaving the factory to ensure they reach their destination in excellent condition. Whenever possible, the Seller will ship in accordance with the Purchaser's instructions. If Purchaser does not specify shipping instructions, Seller will use its best judgment to determine the most suitable shipping method, route, and carrier.

**Storage**

If the Purchaser cannot accept delivery per the ship date specified in the Seller's Acknowledgement, the Seller may transfer the merchandise to storage, either at its facility or at another facility.

Purchaser will be charged a storage fee of two percent (2%) of the invoice for every thirty (30) days the products are stored at the Seller's facility.

For products stored in another facility, all out-of-pocket costs of storage, including transportation and warehousing fees, will be at the Purchaser's expense.

The Purchaser will be invoiced for all product charges on the date the Products are transferred to storage. Storage fees will accrue monthly in full month increments (they are not pro-rated for partial months) and will be added to the first invoice, which will also include non-product charges such as shipping, installation, etc.

**Returns**

Purchasers may not return Products without Seller's written approval and shipping instructions. Unauthorized returns, and returns shipped inconsistently with Seller's instructions, will be automatically refused by the Seller's receiving department.

Products not currently offered for sale by Seller, including special and custom Products, shall not be authorized for return. All returned Products must be unused, in original condition and in original Seller shipping cartons. No refund or credit shall be given for damaged Products.

**Claims**

All shipments for Sellers Product are F.O.B. Origin. All risk of loss passes to Purchaser at time of delivery to carrier. Purchaser shall inspect all Products upon receipt and note any damage on the Bill of Lading and make an immediate request for inspection of damage by carrier. Seller is not responsible for damage that occurs in transit or storage.

Damage that becomes apparent after the Product is unpacked should be reported to the carrier and the Seller within twenty-four (24) hours of receipt. Damage that is incurred at a furniture dealer's warehouse is the responsibility of the furniture dealer.

For claims relating to Product damaged in transit, or for any other claims relating to or arising out of the transportation of the Product, Purchaser must seek recovery from the carrier. Seller may, upon request, assist Purchaser with filing of such claims with the carrier.

Claims for defects, errors, or shortages must be made in writing by Purchaser against Seller within 72 hours after delivery. Failure to make such claim within 72 hours shall constitute unconditional acceptance of the Products and a waiver of any apparent defects, errors, or shortages.

**Customer's Own Material (COM)**

A Purchaser who requests a material not standard to Seller's line of Products must submit a sample of the requested material to Seller prior to entry of a purchase order. Seller shall determine if the material is suitable to its manufacturing processes and meets any requirements of Underwriter Laboratories. If the COM is acceptable, Seller will then establish a price for using the COM on the Product in question.

---

### Custom Finish Match

For custom wood or paint finishes add \$1,000 net per finish. This is a one-time matching charge. Custom finishes may extend delivery time up to four (4) weeks. Control samples of custom finishes will be provided.

### Hardware

Final adjustment of furniture hardware such as hinges, drawer slides, drawer pulls, etc., at the installation and as a punch-list item, if required, is the Purchaser's responsibility.

### Design

All Products shown in the Seller's Price List and Specifications Guide are, and remain, the property of the Seller, who reserves the exclusive right to manufacture them. All dimensions shown are to be considered approximate. Seller reserves the right to make changes in price, dimensions, design and/or construction without prior notice.

### Shop Drawings

Seller allows for one (1) set of full shop drawings and one (1) round of minor drawing revisions in its pricing and scheduling. Thereafter, any significant changes in design, including dimensions, engineering details, and materials, or delays in reviewing and approving shop drawings, may necessitate additional charges and cause schedule delays. Seller reserves the right to determine the impact of any design changes and/or delays and will promptly notify those involved of any adjustments to cost and schedule.

### Field and Hold Dimensions

If a dealer or third party is responsible for providing installation, the following is required: Full responsibility for providing accurate and timely field dimensions or hold to dimensions (in cases where walls are not erected) as it effects the ultimate fit of the installation. As an alternative, upon request, Seller can provide a cost for sending a field technician to the project site to assume responsibility for field dimensions and site evaluation.

## Wood Finishes and Materials

Selecting materials and other features are the first steps to ordering your DatesWeiser furniture. As you move through the steps on the product pages, you will need to fill in the blanks with the codes for the finishes and features you select.

Wood veneers are selected from the finest hardwoods available around the world and top coated with a low-VOC, post-catalyzed finish. The typical sheen is 30%.

Veneers come in two price ranges (Tiers), and described as follows:

1. Cut (Plain-sliced, rift, quartered, engineered)
2. Species (Oak, Walnut, etc.)
3. Finish (Natural, Smoked, Dark, Cerused, etc.)

Quartered, rift-cut and engineered veneers are slip matched except for Black Limba.

Plain-sliced veneers are book matched.

Examples:

1. T124 (Denotes Tier 1 Plain sliced Maple, Natural)
2. T227 (Denotes Tier 2 Quartered Walnut, Natural)

**Product Maintenance**

Regular dusting with a soft cloth will help prevent fine dust particles from becoming embedded in the finished surface. We recommend using a soft flannel cloth slightly dampened with water, followed by a dry cloth. Always wipe in the direction of the grain.

**CAUTION:**

Never use a chemically treated cleaning cloth.

For removing residues, smudges, etc., we recommend using a very mild (non-ammonia) soap and water solution. Apply with a soft flannel cloth followed by a dry cloth. Always wipe in the direction of the grain.

We recommend using felt pads on all objects that come into contact with our furniture. Certain vinyl and rubber products can chemically react with the finish on wood if left in contact for extended periods of time. Coasters, place mats, notebook covers, and rubber or plastic feet (found on most accessories) can also damage wood surfaces. To avoid indentations caused by writing instruments, always use a non-vinyl blotter or writing pad.

All furniture should be used in a stable, controlled atmosphere and positioned to avoid direct sunlight. The ideal climate is 65-75°F with 30-55% relative humidity.
